PROXY STATEMENT

2018 Annual Meeting of Stockholders

AAC Holdings, Inc. (the “Company”) is soliciting proxies, and your vote is very important to us. For this reason, the Board of Directors (the “Board” or “Board of Directors”) of the Company requests that you allow your shares to be represented at the 2018 Annual Meeting of Stockholders (the “Annual Meeting”) by the proxies named on the enclosed proxy card. In connection with our solicitation of proxies, we are mailing this Proxy Statement, the enclosed proxy card and our 2017 Annual Report to our stockholders beginning on or about April 13, 2018. The Annual Meeting will be held at the Company’s corporate headquarters located at 200 Powell Place, Brentwood, Tennessee 37027, on Tuesday, May 15, 2018, at 2:00 p.m. (Central Time).

Information About The Meeting

Record Date

The close of business on March 19, 2018 has been fixed as the record date for the determination of stockholders entitled to vote at the Annual Meeting. As of such date, we had 70,000,000 authorized shares of common stock, \$0.001 par value per share (“Common Stock”), of which 24,446,214 shares were outstanding and entitled to vote, and 5,000,000 authorized shares of preferred stock, \$0.001 par value per share, of which no shares were outstanding. Common Stock is our only outstanding class of voting stock. Each share of Common Stock will be entitled to one vote on each matter to be voted upon at the Annual Meeting.

Quorum Requirements

A majority of the shares of Common Stock outstanding as of the close of business on March 19, 2018 and entitled to vote is required to constitute a quorum. Shares of Common Stock present by attendance or represented by proxy (including abstentions and broker non-votes) will be counted for purposes of determining the presence of a quorum at the Annual Meeting. If a quorum is not present at the time of the Annual Meeting, the chairman of the Annual Meeting or the stockholders entitled to vote, present in person or represented by proxy, shall have the power to adjourn the Annual Meeting until a quorum shall be present or represented by proxy. The Annual Meeting may be adjourned from time to time, whether or not a quorum is present, by the chairman of the Annual Meeting or the affirmative vote of a majority of the votes present, represented in person or by proxy, and entitled to be cast at the Annual Meeting.

Proposals

Stockholders will be voting on the following matters:

- (1) Election of Michael J. Blackburn, Jerry D. Bostelman, Lucius E. Burch, III, Michael T. Cartwright, W. Larry Cash, Darrell S. Freeman, Sr., David W. Hillis, Sr. and David C. Kloeppel as directors to hold office until the 2019 annual meeting of stockholders and until their respective successors are elected and qualified;
- (2) Ratification of the appointment of BDO USA, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2018; and
- (3) Such other business that properly comes before the Annual Meeting or any adjournment thereof.

Board Recommendation

Our Board of Directors recommends that you vote:

- (1) **FOR** the election of the nominees named in this Proxy Statement as directors to hold office until the 2019 annual meeting of stockholders and until their respective successors are elected and qualified; and
- (2) **FOR** the ratification of the appointment of BDO USA, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2018.

Voting Procedures

If a quorum is present at the Annual Meeting, the outcome of the proposals set forth in the Notice of Annual Meeting will be determined as follows:

- With respect to Proposal 1 (Election of Directors), each director nominee will be elected if he receives a plurality of the votes of the shares of Common Stock present, in person or represented by a proxy, and entitled to vote at the Annual Meeting; and
- With respect to Proposal 2 (Ratification of the Appointment of BDO USA, LLP), this proposal will be approved if it receives the affirmative vote of a majority of the shares of Common Stock present, in person or represented by a proxy, and entitled to vote at the Annual Meeting.

With respect to Proposal 1, you may vote “**FOR**” a director nominee or may “**WITHHOLD**” your vote for a director nominee. Withheld votes will be treated as present at the meeting for purposes of establishing a quorum for the meeting and for purposes of the vote on the particular matter. A withheld vote will have no effect on Proposal 1.

With respect to Proposal 2, you may vote “**FOR**” or “**AGAINST**” such matter or may “**ABSTAIN**” from voting for such matter. Abstentions will be treated as present at the meeting for purposes of establishing a quorum for the meeting and for purposes of the vote on the particular matter. Abstentions will have the same effect as a vote against Proposal 2.

If your shares are held by a bank, brokerage firm or other nominee, you are considered the “beneficial owner” of shares held in “street name.” In such case, these proxy materials are being forwarded to you by your bank, brokerage firm or other nominee (the “record holder”), along with a voting instruction card. As the beneficial owner, you have the right to direct your record holder how to vote your shares, and the record holder is required to vote your shares in accordance with your instructions. You should follow the voting instructions on any form that you receive from your broker or nominee. The availability of telephone and Internet voting for shares held in street name will depend on your broker’s or nominee’s voting process. Please refer to the instructions in the materials provided in the proxy card provided to you for information on the available voting methods. In addition, as the beneficial holder of shares, you are entitled to attend the Annual Meeting. ***If you are a beneficial owner, however, you may not vote your shares in person at the meeting unless you obtain a legal proxy, executed in your favor, from the record holder of your shares.***

Pursuant to New York Stock Exchange (“NYSE”) Rule 452, if your shares are held in street name and you do not give voting instructions to the record holder, the record holder will not be permitted to vote your shares with respect to Proposal 1, and your shares will be considered “broker non-votes” with respect to these proposals. However, the record holder will be entitled to vote your shares with respect to Proposal 2 even if you do not give voting instructions. We urge you to give voting instructions to your broker or nominee on all proposals.

Broker non-votes will be treated as shares present for quorum purposes, but are not considered votes for or against any proposal. Therefore, broker non-votes will not affect the outcome of any proposal.

Table of Contents

If a proxy is properly given prior to or at the Annual Meeting and not properly revoked, it will be voted in accordance with the instructions, if any, given by the stockholder. Subject to the requirements described below, if you sign and submit a proxy without voting instructions with respect to the proposals contained herein, the proxy will be voted:

- **FOR** the election of the nominees named in this Proxy Statement as directors to hold office until the 2019 annual meeting of stockholders and until their respective successors are elected and qualified; and
- **FOR** the ratification of the appointment of BDO USA, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2018.

If any other matter properly comes before the Annual Meeting, the persons named as proxies will vote on such matters as recommended by the Board of Directors or, if no recommendation is given, in accordance with their best judgment. We have not received notice of other matters that may properly be presented at the Annual Meeting.

Stockholders who give proxies have the right to revoke them at any time before they are voted by delivering a written request to Kathryn Sevier Phillips, Chief Legal Officer, General Counsel and Secretary, at 200 Powell Place, Brentwood, Tennessee 37027, prior to the Annual Meeting or by submitting another proxy at a later date. The giving of the proxy will not affect the right of a stockholder to attend the Annual Meeting and vote in person.

PROPOSAL 1: ELECTION OF DIRECTORS

Introduction

Our Amended and Restated Bylaws (the “Bylaws”) provide for a Board of Directors consisting of at least one and not more than eleven directors. Our Board is presenting eight nominees for election as directors at our Annual Meeting, seven of whom currently serve as directors on our Board of Directors. Each nominee elected at the meeting will serve a term of office until our 2019 annual meeting of stockholders and until a successor is duly elected and qualified. Each nominee has consented to be a candidate and to serve if elected. Proxies cannot be voted for a greater number of persons than the nominees named.

Qualification of Directors

Each of the Company’s director nominees has demonstrated business acumen, the ability to exercise sound business judgment, and a commitment to serve the Company as a director. In addition, the Company’s director nominees bring a variety of professional backgrounds and experiences, and we believe that each of our director nominees possesses unique qualifications, skills and attributes that complement the performance of the full Board. The experience that each nominee has obtained from his professional background, as set forth below, has qualified him to serve on our Board of Directors.

The following table sets forth biographical information for each nominee designated by our Board of Directors to become a director, the year in which each nominee was first appointed or elected to the Board of Directors and a discussion of factors in each nominee’s experience that the Board views as supporting his service on the Board:

Vote Required; Recommendation

Directors are elected by a plurality of the votes cast by the holders of the shares of Common Stock present, in person or represented by a proxy, and entitled to vote in the election at a meeting at which a quorum is present. Our Articles of Incorporation do not provide for cumulative voting, and, accordingly, the stockholders do not have cumulative voting rights with respect to the election of directors. Consequently, each stockholder may cast one vote per share of Common Stock held of record for each nominee. Stockholders may vote “for” a director nominee or may “withhold” such stockholder’s vote for a director nominee. A withheld vote will have no effect on the outcome of the election of directors.

Pursuant to NYSE Rule 452, the uncontested election of directors may not be voted upon by banks, brokerage firms or other nominees holding shares in street name without instruction from beneficial owners. Consequently, proxies submitted by banks, brokerage firms or other nominees holding shares in street name may not, in the absence of specific instructions from beneficial owners, vote the shares in favor of a nominee or withhold votes from a nominee at the discretion of the bank, brokerage firm or other nominee. Broker non-votes are not considered votes for or against any proposal. Therefore, broker non-votes will not affect the outcome of the election of directors.

Unless a proxy specifies otherwise, or results in a broker non-vote because of the failure to execute or return the proxy to a broker with instructions, the persons named in the proxy will vote the shares covered thereby **FOR** the nominees designated by our Board of Directors. If a nominee becomes unavailable for election, shares covered by a proxy will be voted for a substitute nominee selected by our Board of Directors.

The Board of Directors recommends that the stockholders vote FOR each of the director nominees.

CORPORATE GOVERNANCE

Corporate Governance Profile

We have structured our corporate governance in a manner we believe closely aligns our interests with those of our stockholders. Notable features of our corporate governance structure include the following:

- our Board of Directors is not classified, with each of our directors subject to re-election annually;
- of the eight persons who currently serve on our Board of Directors, five of our directors satisfy the listing standards for independence of the NYSE and five of our directors satisfy the independence standards of Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”);
- each member of our Audit Committee qualifies as an “audit committee financial expert” as defined by the SEC;
- three of our four standing committees of our Board of Directors—the Audit Committee, the Compensation Committee, the Nominating and Corporate Governance Committee—consist solely of independent directors in compliance with NYSE listing requirements; and
- we do not have a stockholder rights plan.

Our directors stay informed about our business by attending meetings of our Board of Directors and its committees and through supplemental reports and communications. Our independent directors meet regularly in executive sessions without the presence of our corporate officers or non-independent directors.

Board Leadership Structure

Our Board of Directors is currently chaired by our Chief Executive Officer, Mr. Cartwright. Our Board of Directors believes that combining the positions of Chief Executive Officer and Chairman helps to ensure that the Board of Directors and management act with a common purpose and provides a single, clear chain of command to execute our strategic initiatives and business plans. In addition, our Board of Directors believes that a combined Chief Executive Officer/Chairman is better positioned to act as a bridge between management and our Board of Directors, facilitating the regular flow of information. Our Board of Directors also believes that it is advantageous to have a Chairman with an extensive history with and knowledge of the Company (as is the case with our Chief Executive Officer).

Mr. Freeman has served as our lead independent director since 2014 and reinforces the independence of our Board of Directors as a whole. The lead independent director serves as an effective balance to a combined Chief Executive Officer and Chairman. The lead independent director is empowered to, among other duties and responsibilities, provide general leadership of the affairs of the independent directors, preside over board meetings in the absence of the Chairman and during independent director closed session portions of the meetings, preside over and establish the agendas for meetings of the independent directors and act as liaison between the Chairman and the independent directors.

Role of the Board in Risk Oversight

One of the key functions of our Board of Directors is informed oversight of our risk management process. Our Board of Directors administers this oversight function directly, with support from its four standing committees, the Audit Committee, the Compensation Committee, the Nominating and Corporate Governance Committee and the Compliance and Quality Care Committee, each of which addresses risks specific to its respective areas of oversight. In particular, our Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management is

Table of Contents

undertaken. The Audit Committee also monitors compliance with legal and regulatory requirements in addition to oversight of the performance of our internal audit function. The Audit Committee also assists our Board in its oversight of cybersecurity and information technology risks. Our Compensation Committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking. Our Nominating and Corporate Governance Committee monitors the effectiveness of our Corporate Governance Guidelines, including whether they are successful in preventing illegal or improper liability-creating conduct. Our Compliance and Quality Care Committee provides oversight of our compliance with applicable laws and regulations and communicates significant compliance issues to our Board of Directors and to other committees.

Independence

The NYSE requires a majority of our Board of Directors to consist of independent directors. A director will only qualify as an “independent director” if, in the opinion of our Board of Directors, that person does not have a material relationship with the Company that would interfere with the exercise of independent judgment. In addition, in order for a member of the Compensation Committee or the Audit Committee to be considered independent, such committee member may not, other than in his capacity as a member of the Board of Directors or any Board committee: (1) accept, directly or indirectly, any consulting, advisory, or other compensatory fee from us; or (2) be an affiliated person of us.

In April 2018, our Board of Directors undertook a review of the composition of our Board of Directors and its committees, and of our nominees for the Board of Directors, respectively, and the independence of each director or nominee. Based upon information requested from and provided by each director or nominee concerning his background, employment and affiliations, including family relationships, our Board of Directors has affirmatively determined that none of our directors or nominees, other than Messrs. Cartwright, Blackburn and Hillis, has a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of Messrs. Bostelman, Burch, Cash, Kloeppe and Freeman is “independent” as that term is defined by the NYSE Listed Company Manual. Our Board of Directors also determined that Messrs. Cash, Freeman and Kloeppe, who will comprise our Audit Committee following the Annual Meeting, Messrs. Bostelman, Burch, Cash, Freeman and Kloeppe, who will comprise our Compensation Committee following the Annual Meeting, and Messrs. Nomination of Directors

The Nominating and Corporate Governance Committee reviews the qualifications of every person recommended as a nominee to the Board to determine whether the recommended nominees are qualified to serve on the Board. In evaluating the qualifications of a director nominee, the Nominating and Corporate Governance Committee assesses the individual's background, skills and abilities, and whether such characteristics are consistent with the Company's Corporate Governance Guidelines and fulfill the needs of the Board at that time. Table of Contents

The Nominating and Governance Committee also considers diversity in professional and personal experience, skills, background, race, gender and other factors of diversity as it deems appropriate when considering director candidates. Following its evaluation, the Nominating and Corporate Governance Committee will make recommendations for membership on the Board and review such recommendations with the Board, which will decide whether to invite the candidate to be a nominee for election to the Board.

Director Nominees Recommended by Stockholders

Our Bylaws govern stockholder nominations of directors. The Nominating and Corporate Governance Committee evaluates nominees recommended by stockholders on the same basis as nominees recommended by any other sources, including making a determination whether the candidate is qualified to serve on the Board based on the qualitative standards described above. To be considered by the Nominating and Corporate Governance Committee, a stockholder who wishes to recommend a director nominee must deliver a written notice to the corporate secretary of the Company not less than 90 days nor more than 120 days prior to the first anniversary of the date of date of the proxy statement delivered to stockholders in connection with the previous year's annual meeting; provided, however, that in the event (i) the annual meeting is scheduled to be held on a date more than 30 days prior to or delayed by more than 30 days after the preceding year's annual meeting of stockholders, (ii) no proxy statement was made available to stockholders in connection with the preceding year's annual meeting, or (iii) the Company did not hold an annual meeting in the preceding year, notice by the stockholder to be timely must be delivered not earlier than the close of business on the 90th day prior to such annual meeting and not later than the close of business on the later of the 60th day prior to such annual meeting or the 10th day following the day on which public announcement of the date of such meeting is first made.

You should consult our Bylaws for more detailed information regarding the process by which stockholders may nominate directors.

Director Stock Ownership Requirement

To further align the interests of the Board with the interests of the Company's stockholders, the Company believes that its independent directors should be stockholders and have a significant personal financial stake in the Company. Accordingly, each non-employee director is expected to own shares of Common Stock valued at five times the director's annual retainer. Each director will have five years from the later of the adoption of the Company's Corporate Governance Guidelines in June 2014 and the date of the director's election to the Board to attain such level of stock ownership. After achieving the minimum level of stock ownership, ownership of the minimum amount must be maintained as long as the director remains on the Board. Except for Mr. Cash, who was appointed to the Board of Directors effective October 30, 2017, each director who is standing for re-election currently owns shares of our Common Stock in an amount that is significantly greater than the amount required under our director stock ownership requirement. Unless otherwise approved by the Nominating and Corporate Governance Committee, our non-employee directors are expected to own beneficially shares of our common stock with a value equal to at least five (5) times the director's annual cash retainer. Directors are expected to achieve this ownership amount within five (5) years of the director's election to the Board of Directors.

EXECUTIVE COMPENSATION

Overview

The primary goal of our executive compensation program is to align executive compensation with our business objectives and individual performance, as well as to enable us to attract, retain and reward executive officers who contribute to our long-term success. The Compensation Committee sets the compensation of our executive officers and certain of our significant employees. Generally, the Compensation Committee considers and evaluates the Company's performance and goals and our Chief Executive Officer's recommendations with respect to each officer or employee (other than the Chief Executive Officer) in setting compensation. The compensation of our executive officers and certain of our significant employees consists of a combination of base salary and incentive bonuses paid in cash or equity. All employees, including our executive officers and certain significant employees, also receive a benefits package.

As an "emerging growth company," we have opted to comply with the executive compensation disclosure rules applicable to "smaller reporting companies," as such term is defined in the rules promulgated under the Exchange Act, which require compensation disclosure for our Chief Executive Officer and the two most highly compensated executive officers other than our Chief Executive Officer, whom we refer to as our "named executive officers" in this Proxy Statement. We are also voluntarily disclosing the compensation of Michael J. Blackburn, our former Senior Vice President of Business Development and current director, in order to provide our stockholders with additional disclosure regarding our highly compensated significant employees.

2017 Executive Compensation Elements

Each of our named executive officers was provided with the following material elements of compensation in 2017:

Base Salary. We provide a base salary to each named executive officer. The primary goal for base salary is to be market competitive and to compensate an executive's short-term contributions, as well as to provide current financial stability. In January 2016, the Compensation Committee engaged McDaniel & Associates as its independent compensation consultant to advise the Company on its executive compensation program, including by identifying a peer group of companies and performing a peer group compensation analysis. The peer group recommended by McDaniel & Associates and utilized by the Compensation Committee for compensation purposes, including setting base salary levels, consisted of the following 14 publicly traded health care companies:

Addus Homecare Corporation	Five Star Quality Care, Inc.
Almost Family, Inc.	Healthways, Inc.
BioScrip, Inc.	Landauer, Inc.
BioTelemetry, Inc.	LHC Group, Inc.
Capital Senior Living Corporation	National Healthcare Corporation
CorVel Corporation	RadNet, Inc.
Cross Country Healthcare, Inc.	U.S. Physical Therapy, Inc.

The peer group is reviewed annually by the Compensation Committee for appropriateness, taking into account the advice of our independent compensation consultant. The peer group used in 2018 was comprised of the companies listed above, which was not adjusted from the peer group used in 2017, to ensure a relevant comparison for executive compensation decisions.

Non-Equity Incentive Compensation. Incentive bonuses are a key component of our executive compensation strategy. We believe such performance-based incentive compensation aligns our named executive officers' compensation to the Company's goals. On March 9, 2017, a subcommittee of the Compensation Committee approved the AAC Holdings, Inc. 2017 Annual Bonus Plan (the "2017 Bonus Plan") for certain of the Company's executive officers and members of senior management, which provided for cash bonuses payable under our 2014 Equity Incentive Plan, as amended from time to time (the "EIP"), based on the achievement of adjusted EBITDA targets during each quarter of the fiscal year ended December 31, 2017 and the fiscal 2017 as a whole. The subcommittee of the Compensation Committee reviewed and approved the Company's actual performance during each quarter of the fiscal year ended December 31, 2017 and the fiscal 2017 as a whole, and, as a result, the respective target levels of adjusted EBITDA for each quarter of fiscal year 2017, as well as the actual adjusted EBITDA attained for such periods, are set forth in the following table:

Period	Targeted Adjusted EBITDA (\$)⁽¹⁾	Actual Adjusted EBITDA (\$)
Q1 2017	11,000,000	12,700,000
Q2 2017	11,500,000	14,400,000
Q3 2017	14,500,000	14,900,000
Q4 2017	15,000,000	15,100,000
2017 Fiscal Year	52,000,000	57,100,000

Table of Contents

- (1) For purposes of the 2017 Bonus Plan, “Adjusted EBITDA” was defined as consolidated net income, plus, without duplication, to the extent reducing consolidated net income, (i) interest expense, (ii) depreciation expense, (iii) amortization expense, (iv) tax expense, (v) non-cash stock compensation, (vi) acquisition-related expenses, (vii) de-novo startup expenses and (viii) other expenses that are either unusual in nature or infrequently occurring, within the meaning of GAAP.

As a result, the annual incentive bonuses actually awarded to each named executive officer are set forth in the following table:

<u>Named Executive Officer and Certain Significant Employees</u>	<u>Q1 2017</u>	<u>Q2 2017</u>	<u>Q3 2017</u>	<u>Q4 2017</u>	<u>Aggregate 2017 Bonus Payout</u>
Michael T. Cartwright	\$ 75,000	\$ 75,000	\$ 75,000	\$ 75,000	\$ 300,000
Kirk R. Manz ⁽¹⁾	\$ 37,500	\$ 37,500	—	—	\$ 75,000
Thomas W. Doub, Ph.D	\$ 81,250	\$ 81,250	\$ 81,250	\$ 81,250	\$ 325,000
Michael J. Blackburn	\$ 43,750	\$ 58,000	\$ 58,000	—	\$ 159,750

- (1) Bonus amounts for the third and fourth quarters of fiscal year 2017 were not paid to Mr. Manz but were included as part of his severance under his Separation Agreement.

Equity Incentive Compensation. For fiscal year 2017, Messrs. Cartwright, Manz, Doub and Blackburn were granted 50,000; 10,000; 20,000 and 20,000 shares of restricted Common Stock, respectively, pursuant to the EIP, which awards vest in equal annual installments over a three-year period. The awards granted to Messrs. Cartwright, Manz, Doub and Blackburn were part of the Company’s 2017 grant of restricted shares of Common Stock to certain of its employees. Effective as of December 31, 2017, 13,338 shares of restricted Common Stock owned by Mr. Manz were forfeited and returned to the Company. The Compensation Committee has specifically focused its objectives for executive officer performance through compensation packages with a combined approach of (i) market-based cash compensation, inclusive of base salaries and cash bonus amounts, for each executive officer, respectively, and (ii) longer term equity incentives, with minimum three-year vesting provisions. The Compensation Committee believes this emphasis on longer term equity compensation better aligns executive officer performance with overall Company performance during the Company’s intensive growth stages and provides an effective compensation platform to continue to recruit and retain the highest quality executive talent.

Employment Agreements. We currently do not have any employment agreements with our named executive officers.

Retirement Arrangements. We maintain a 401(k) savings plan for eligible employees, including our named executive officers, and provide annual discretionary matching contributions to 401(k) plan participants. We do not maintain a defined benefit pension plan.

Employee Benefits. Eligible employees, including our named executive officers, participate in broad-based and comprehensive employee benefit programs, including medical, dental, vision, life and disability insurance. Our named executive officers participate in these programs on the same basis as eligible employees generally, except that the Company covers the full costs of premiums with respect to the medical insurance plan.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

Related Party Transaction Policy

Our Articles of Incorporation and our Bylaws do not restrict any of our directors, officers, stockholders or affiliates from having a pecuniary interest in an investment or transaction that we have an interest in or from conducting, for their own account, business activities of the type we conduct. However, our Board of Directors recognizes that transactions or relationships between us and our subsidiaries and our directors, executive officers, immediate family members of our executive officers and directors and greater than 5% beneficial owners of our Common Stock may present a heightened risk of conflicts of interest or the perception thereof. As a result, the Board of Directors has adopted a written Related Party Transaction Policy (the "Policy") to ensure that all related party transactions shall be subject to approval or ratification in accordance with the procedures set forth in the Policy.

Prior to the entry of any potential related party transaction, such transaction, arrangement or relationship, together with a summary of all material information concerning such transaction, arrangement or relationship, shall be reported to our Chief Legal Officer and General Counsel for evaluation. If our Chief Legal Officer and General Counsel determines that the transaction is a related party transaction and is not subject to the exceptions described in the Policy, the Chief Legal Officer and General Counsel will submit the transaction to the Audit Committee for consideration. In the event our Chief Executive Officer, President, Chief Financial Officer or Chief Legal Officer and General Counsel becomes aware of a related party transaction that has not been previously approved or ratified, the transaction will promptly be submitted to the Audit Committee or its chair, which will evaluate all available options, including ratification, amendment or termination of the transaction. In determining whether to approve or ratify a related party transaction, the Audit Committee will take into account, among other factors it deems appropriate, whether the related party transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related party's interest in the transaction. The Audit Committee will annually review each new or continuing related party transaction to determine if we should enter into or continue such related party transaction. Despite the existence and application of the Policy, we cannot assure you that the Policy or provisions of law will always be successful in eliminating the influence of conflicts of interest (whether actual or perceived), and if they are not successful, decisions could be made that might fail to reflect fully the interests of all stockholders.

GENERAL INFORMATION

Stockholder Proposals for 2019 Annual Meeting

The 2019 annual meeting of stockholders is expected to be held on or about May 15, 2019, although this date may change. Pursuant to Rule 14a-8 under the Exchange Act, proper stockholder proposals intended to be presented at our 2019 annual meeting of stockholders must be received by us at our principal executive offices at 200 Powell Place, Brentwood, Tennessee 37027 no later than the close of business on December 17, 2018 for the proposals to be included in the Proxy Statement and form of proxy card for that meeting.

If a stockholder desires to bring a matter before our annual meeting of stockholders and the matter is submitted outside the process of Rule 14a-8, including with respect to nominations for election as directors, the stockholder must follow the procedures set forth in our Bylaws. Our Bylaws provide generally that stockholder proposals and director nominations to be considered at an annual meeting of stockholders may be made by a stockholder only if (1) the stockholder is a stockholder of record at the time the stockholder gives notice and is entitled to vote at the meeting, and (2) the stockholder gives timely written notice of the matter to our corporate secretary. For a stockholder proposal to be considered timely, a stockholder's notice must be received at our principal executive offices not less than 90 days nor more than 120 days prior to the first anniversary of the preceding year's annual meeting of stockholders (i.e., not earlier than January 15, 2019 and not later than February 14, 2019); provided, however, that in the event our annual meeting is more than 30 days before or after the date of the first anniversary of the preceding year's annual meeting of stockholders, then to be timely such notice must be received not earlier than the close of business on the 90th day prior to such annual meeting and not later than the close of business on the later of the 60th day prior to such annual meeting or the 10th day following the day on which public announcement of the date of such meeting is first made by the Company. The notice must set forth the information required by the provisions of our Bylaws dealing with stockholder proposals and nominations of directors.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, or the Exchange Act, requires our directors, executive officers and certain beneficial owners of more than 10% of our common stock, to file with the SEC initial reports of ownership and reports of changes in ownership of our common stock and furnish us with copies of all forms filed.

To our knowledge, based solely on a review of the copies of such reports furnished to us and representations that no other reports were required, during the past fiscal year all Section 16(a) filing requirements applicable to our directors and executive officers were completed on a timely basis, except for the Forms 4 filed on January 4, 2017, for transactions on December 31, 2016, which were due on January 3, 2017, on behalf of Michael T. Cartwright, Andrew W. McWilliams and Kathryn Phillips, and for the Form 4 filed on October 3, 2017, for transactions on March 31, 2016, June 30, 2016, September 30, 2016, December 31, 2016, March 31, 2017 and June 30, 2017, which were due on April 1, 2016, July 1, 2016, October 4, 2016, January 3, 2017, April 4, 2017 and July 5, 2017, respectively, on behalf of Tina F. Cartwright, as AAC inadvertently failed to timely file the Forms 4 on their behalf.

Delivery of Proxy Materials to Stockholders Sharing an Address

The SEC has adopted a rule concerning the delivery of annual reports and proxy statements. It permits us, with your permission, to send a single set of these proxy materials to any household at which two or more stockholders reside if we believe they are members of the same family. This rule is called “householding” and its purpose is to help reduce printing and mailing costs of proxy materials. To date, the Company has not instituted this procedure with respect to registered holders of its Common Stock, but may do so in the future.

A number of brokerage firms have instituted householding. If you and members of your household have multiple accounts holding shares of Common Stock, you may have received a householding notification from your broker. Please contact your broker directly if you have questions, require additional copies of this Proxy Statement, the 2017 Annual Report to Stockholders or other proxy materials or wish to revoke your decision to household. These options are available to you at any time.

Cost of Proxy Solicitation

We will bear the cost of printing, mailing and other expenses in connection with this solicitation of proxies and will also reimburse brokers and other persons holding shares of Common Stock in their names or in the names of nominees for their expenses in forwarding the proxy materials to the beneficial owners of such shares. Certain of our directors, officers and employees may, without any additional compensation, solicit proxies in person, by telephone or by other means of communication.

THE BOARD HOPES THAT STOCKHOLDERS WILL ATTEND THE ANNUAL MEETING IN PERSON. REGARDLESS OF WHETHER YOU PLAN TO ATTEND THE ANNUAL MEETING, YOU ARE URGED TO VOTE EITHER IN PERSON OR VIA THE INTERNET, BY TELEPHONE, OR BY COMPLETING, SIGNING, DATING AND RETURNING THE ENCLOSED PROXY CARD AS SOON AS POSSIBLE TO ENSURE THAT YOUR SHARES ARE REPRESENTED AT THE MEETING.
